Public Transport

For those families that reside within the Bendigo Public Transport System, this will allow for you to travel to ESC whether by regular timetabled services or School Town Specials.

To determine which connecting service is closest to you or best suits your needs you can use this [map](#) or [timetable](#) which includes regular bus information as well as School Town Specials.

To access this system you need to obtain a MYKI card, which you can buy from Bendigo Railway Station or [refer to this link](#)

If you do reside further than 4.80km from ESC and ESC is your closest school you may be eligible to claim conveyance allowance for the reimbursement of the MYKI card. [Please see this link](#)
